Welcome to the Make Money Online Community, with Me, Stacy La! I created this group to provide easy to follow tips, training & tools to help entrepreneurs & businesses grow their brands. I built this community to educate, support and provide quality content for everyone, which is why the group rules have been developed and are enforced daily. These rules are in place to make sure our community remains safe. So here they are: 😊 BE HELPFUL & KIND This group lives by this rule: If you don't have something helpful or kind to say please don't say anything. We don't allow calling people out, rants of any kind, or complaints about how someone is running their brand. Please treat everyone with respect. Healthy debates are natural, but kindness is required. 🚫 NO SELF PROMO DO NOT link and/or tag your social media accounts, websites, opt-in pages, registration pages, podcasts, webinars, podcasts, programs etc. for self-promotion. If your post was removed for not following this rule, please feel free DM the admins for clarification. No soliciting by posting in the group or by DM to any of our members. Please also NO "long blog style" posts disguised as being helpful. 🚫 NO LIVE VIDEOS & NO WATCH PARTIES Only admins or approved members/guests are permitted to post live videos or host watch parties within this group. ❓ BE SPECIFIC WITH YOUR QUESTIONS I encourage all members to post questions, that's what makes our group so helpful. But please be as specific as possible with your questions to help the community help you. If asking for feedback of your site, blog or social media, please DO NOT post a link. A pic speaks 1000 words, so please post screenshots whenever possible. 🚫 NO PROMOTION OF YOUR AFFILIATE LINKS Sharing your favorite tools that are relevant to generating income online are welcome, however, sharing ANY affiliate link unless it's a link affiliated with this group is never ok. VIOLATORS WILL BE REMOVED FROM THE GROUP IMMEDIATELY.3 posts a day
